

LINE CARD

HVAC-R SERVICE

- Heating/Cooling Service
- Refrigerant Reclamation
- Preventative Maintenance
- Computer Room Specialization (Liebert Authorized)
- Air & Water Balancing
- Refrigeration
- Boilers
- Cooling Towers
- Ductless Mini-Split Systems
- Ice Machines, Coolers and Freezers
- Make-up Air Equipment
- Exhaust Fans
- 24-hour Emergency Service
- Beer Caves

PLUMBING/PIPING

- Design/Build Applications
- All Domestic Plumbing Systems
- Medical Gas Systems
- Natural Gas Systems
- Food & Pharmaceutical Piping
- Boilers (High & Low Pressure)
- Compressed Air Systems
- Orbital Welding
- Steam & Condensate Systems
- Passivation
- Hydronic & Chilled Water Systems
- High Purity Piping
- Breweries
- Clean In Place (CIP) Piping
- Clean Room Applications
- Jacketed Piping
- Custom Skid Fabrication
- Backflow Preventor Testing

PIPE FABRICATION

- Copper
- CPVC/PVC
- Carbon Steel (All Schedules & Grades)
- Stainless Steel (All Schedules & Grades)
- Monel
- PTFE Lined
- HDPE
- Kynar
- Skid Packages
- Isometrics
- Hastelloy
- Food Grade
- Pharmaceutical

SHEET METAL

- Design/Build Applications
- HVAC Engineering & Existing System Modifications
- Duct Fabrication & Installation
- PVC Underground Duct
- Dust & Waste Systems
- Specialty Duct Fabrication: Stainless Steel, Aluminum, Mild Steel
- Building Pressurization Systems
- Rectangular, Spiral & Oval Duct Systems

CUSTOM METAL FABRICATION

- Conveyors
- Chutes
- Ladders
- Platforms
- Carts
- Mixers
- Hoods
- Dumpers
- Sinks
- Exhaust Stacks
- Guarding
- Pharmaceutical
- Tanks
- Hoppers
- Cabinets
- Signs
- Stairs
- Handrails
- Trench Drains
- Augers
- Wall Cladding
- Cross-Over
- Blow Pipe
- Roof Curbs

TEMPERATURE CONTROLS

- Comprehensive Environmental Temperature Control Systems
- Integrated Building Automation Systems
- Tridium Niagara Framework Certified Integrator
- Honeywell Commercial
- Johnson Controls Facility Explorer Systems
- IP/IoT Open Framework Control Systems
- Complete System Installation, Service, Maintenance and Upgrades
- Unified Incorporation of Various Brands of HVAC Equipment, Boilers, Chillers, Lighting Control Systems, Lab Airflow Control Systems & Access Control Systems
- Seamless Integration of Open Communication Protocols Such as BACnet, LON and Modbus and Legacy Protocols Such as N2, Trane Comm and Others

ASME CERTIFICATIONS

- U Stamp
- S Stamp
- R Stamp
- Power Boilers Section I Stamps:
 - Power Boilers (S)
 - Assembly of Power Boilers (A)
 - Electric Boilers (E)
 - Miniature Boilers (M)
 - Pressure Piping (PP)
 - Parts Fabrication (PRT)
- Pressure Vessels Section VIII, Division I Stamps:
 - Pressure Vessels (U)
 - Miniature Pressure Vessels (UM)
 - Pressure Vessel Pressure Relief Valves (UV)
 - Pressure Vessel Pressure Relief Devices (UD)
 - Parts Fabrication (PRT)
- ASME Code Welding:
 - B31.1 Power Piping
 - B31.3 Process Piping

Over 75 Years of Quality, Excellence, and Commitment
